

Jefast Borrower II AB (publ) announces that the condition for the early redemption of its bonds 2025/2027 with ISIN SE0025158504 has been fulfilled

Jefast Borrower II AB (publ) (“**Jefast**” and the “**Company**”) announced on 2 June 2026 that it will redeem in full all of its outstanding bonds 2025/2027 with ISIN SE0025158504 issued on 24 June 2025 (the “**Bonds**” and the “**Early Redemption**” respectively).

The Early Redemption was conditional upon the successful closing of a financing transaction (the “**Refinancing**”) for the purpose of refinancing the Bonds. The Refinancing has been completed and the condition for the Early Redemption have thus been fulfilled. Consequently, the Early Redemption is no longer conditional and will therefore occur on 15 July 2026 as previously announced.

The redemption price of 103.50 per cent. of the nominal amount (i.e., SEK 1,293,750 per Bond) together with accrued but unpaid interest up to (and including) 15 July 2026 will be paid to each person who is registered as owner of Bonds in the debt register maintained by Euroclear Sweden at end of business on the 8 July 2026.

More information regarding the Early Redemption can be found in the notice of early redemption available on Jefast’s and CSC (Sweden) AB’s respective websites.
